ESPRESSO POINT

LAVAZZA ESPRESSO POINT

THE GREAT ESPRESSO FOR SMALL ENVIRONMENTS.

The combination of excellent coffee and advanced technology can only lead to a perfect result.

LAVAZZA ESPRESSO POINT EVOLUZIONE (Evolution) is an ideal coffee maker for small offices and businesses. The exclusive system with single-dose cartridges, containing the best Lavazza blends preserved in protective atmosphere, guarantees an excellent espresso coffee.

LAVAZZA ESPRESSO POINT EVOLUZIONE with its original shape which recalls the "L" for Lavazza is a compact machine suitable for all environments. **LAVAZZA ESPRESSO POINT EVOLUZIONE** is also extremely versatile: thanks to its cartridge system it is able to make different types of coffee and hot drinks.

The machine is user-friendly: simply insert the cartridge, pull the handle down, relax and enjoy the pleasure of a hot drink.
